

Cup of Tea Action Points: 26th Jan 2023

Item discussed	Action Agreed	Current status
Avril welcomed the parents and shared the latest Ofsted Report with them	We agreed that the report was good, and captured the excellent ethos, values and achievements of the school We agreed that the overall judgement was surprising. Avril shared that the judgement was currentlygoing through the Ofsted complaints process.	Another meeting will be scheduled for those parents who were unable to attend today
Parents requested that governors/parent governors be present at a future meeting	Avril will facilitate this	underway
Parents were very supportive of the new Cornerstones curriculum, and glad to note that trips had started again		
Parents would like more green vegetables and healthier desserts	Avril will facilitate this, and invited parents to come and eat lunch any day with their child	
(previous meeting) Parents suggested that the school becomes a hub for community support, especially for EAL parents	Avril explained that the school has close links with the Limehouse Project, and will invite the project leader to come and speak to our parents about the community services provided.	underway
