

Years One and Two

International

Primary

Curriculum

Coverage

Year A start

I'm Alive

A unit focussed on Living Things
Year One

This unit is where your journey starts!

This unit leads towards work we'll do in:

Time Travellers
Our World
Hooray... Let's Go On Holiday!
Who Am I?
Treasure Island
From A to B
Saving the World
Island Life
Weather and Climate
Earth as an Island
Out of Africa

During this unit, you will be learning about:

Living things and where they live
How living things move, grown and change
What living things need to stay alive and healthy
Endangered animals
How to draw animals and people
The different ways we can move
How we can look after the Earth

Key Vocabulary:

Moving
Growing
Breathing
Feeding/Nutrition
Senses
Defecating
Reproduction
Ocean/Sea
Land
Continents
Capital cities
Habitat
Endangered
Extinct

Themes that are covered in this unit are:

LIVING THINGS
HABITATS
GROWTH
DEVELOPMENT
WEATHER AND CLIMATE
ENVIRONMENTALISM
HEALTH AND WELLBEING
EXTINCTION
STILL LIFE

Trips/vists in this unit include:

A visit to the Soanes Centre
A walk to the River Thames
Ranger Stu and his animals

QCA Science: 1a - Ourselves

National Curriculum links: Geo 3, 4, 5, 6, Art 2, 3, 4, Nutr 1, PE 1, 3

Time Travellers

A unit focussed on History
Year One

This unit builds on work done in:

I'm Alive

This unit leads towards work we'll do in:

The Stories People Tell
The Magic Toymaker
Treasure Island
People of the Past
Footprints from the Past
Scavengers and Settlers
Temples, Tombs and Treasures
Chocolate
They Made a Difference
The Story of English
AD 900
The Great, The Bold and The Brave
Out of Africa

During this unit, you will be learning about:

How to create a timeline
Events from our past
Learning about history from things we can touch
The history of our local area
How to interview someone
The history of food
Healthy eating
Different festivals from around the world

Key Vocabulary:

History
Past
Present
Timeline
Portraits

Themes that are covered in this unit are:

CULTURE
CHRONOLOGY
ARCHAEOLOGY
SOURCES
HEALTH AND WELLBEING
LOCATION
COMMUNITY

Trips/visits in this unit include:

Visiting Actor (The Great Fire of London)
Museum of London – Great Fire of London

QCA Science: 1e - Pushes and Pulls

National Curriculum links: Hist 1, 2, 3, 4, Nutr 1, 2, PE 3

The Stories People Tell

A unit focussed on History and Geography
Year One

This unit builds on work done in:

Time Travellers

This unit leads towards work we'll do in:

All Dressed Up

Treasure Island

Active Planet

Paintings, Pictures and Photographs

Temples, Tombs and Treasures

Island Life

The Story of English

AD 900

The Great, The Bold and the Brave

V for Victory

Out of Africa

During this unit, you will be learning about:

Myths and legends from the past

Religion in the past

Stories from different places in the world

Myths and legends in artwork

Fables and stories

Fairytales

Heroes

How music can tell a story

Key Vocabulary:

Stories

Characters

Settings

Myths

Legends

Fables

Fairytales

Traditional stories

Themes that are covered in this unit are:

SOCIETY

CHRONOLOGY

ARCHAEOLOGY

SOURCES

MYTHS AND LEGENDS

MAPS AND MAPPING

NAVIGATION

LOCATION

BELIEF

Trips/visits in this unit include:

Visiting Storyteller

Trip to the Half Moon Theatre

Puppetry workshop

QCA Science: 1f - Sound and hearing

National Curriculum links: Geo 5, 9, Hist 4, Art 1, 2, 3, 4, PE 3, Mus 1, 4

All Dressed Up

A unit focussed on Technology
Year One

This unit builds on work done in:

The Stories People Tell

This unit leads towards work we'll do in:

Our World
Hooray... Let's Go On Holiday!
The Magic Toymaker
Who Am I?
People of the Past
Buildings
From A to B
Active Planet
Gateways to the World
Fashion
Weather and Climate
Switched On
Space Explorers
They See The World Like This
Fairgrounds

During this unit, you will be learning about:

Weather and climate all over the world
What people wear and why
How to sort materials
How to carry out a scientific investigation
How our clothes keep us warm and dry
How our clothes can keep us safe
Wool and weaving
The different ways that we fasten our clothes

Key Vocabulary:

Weather
Climate
Weather Map
Material
Fabric
Weaving

Themes that are covered in this unit are:

WEATHER AND CLIMATE
MATERIALS
INVESTIGATION
WEAVING
DESIGN
SYMMETRY
LOCATION

Trips/visits in this unit include:

The Victoria and Albert Museum

QCA Science: 1c - Sorting and using materials

National Curriculum links: Geo 4, Hist 1, 3, Art 1, 3, Tech 1, 2, 3, 4, 5, 6

Our World

A unit focussed on Science and Nature

Year One

This unit builds on work done in:

I'm Alive

All Dressed Up

This unit leads towards work we'll do in:

Who Am I?

Treasure Island

People of the Past

Buildings

Active Planet

Saving the World

Footprints from the Past

Island Life

They Made a Difference

Time and Place, Earth and Space

Weather and Climate

AD 900

Going Global

Champions for Change

Earth as an Island

Space Explorers

Out of Africa

During this unit, you will be learning about:

Animals, plants and birds in our local area

How to grow seeds

Recycling and reusing things

Local habitats and global habitats

Gardens

How to feed wild animals

Key Vocabulary:

Recycling/Reusing

Habitats

Wild animals

Nocturnal/Diurnal

Seed

Roots

Stem

Leaves

Flower/Petal

Themes that are covered in this unit are:

WEATHER AND CLIMATE

SILHOUETTE

COLLAGE

HABITATS

ENVIRONMENTALISM

GROWTH

DEVELOPMENT

LIVING THINGS

Trips/visits in this unit include:

A canal walk

Trip to the Soanes Centre (Plant Life)

Natural History Museum

QCA Science: 1b - Growing Plants

National Curriculum links: Geo 3, 10, Art 1, 2, 3, 4, Tech 1, 2, 3, 4, 5, 6, 7, Mus 1

Hooray... Let's Go On Holiday!

A unit focussed on Geography
Year One

This unit builds on work done in:

I'm Alive
All Dressed Up

This unit leads towards work we'll do in:

Who Am I?
Treasure Island
Buildings
From A to B
Saving the World
Gateways to the World
Chocolate
Island Life
Fashion
Time and Place, Earth and Space
Weather and Climate
Going Global
Earth as an Island
Space Explorers

During this unit, you will be learning about:

Where people go on holiday
How people get to where they're going
What people wear on holiday
Places we've been on holiday
Holidays in the past
The Wonders of the World
How we remember our holidays
Using computer maps
Staying safe on holiday
Foreign languages

Key Vocabulary:

Holiday
Transport (Trains/Planes/Cars)
World Map
Hot and Cold Countries
Seas/Oceans
Land
Continents
Capital Cities

Themes that are covered in this unit are:

WEATHER AND CLIMATE
LOCATION
MAPS AND MAPPING
MATERIALS
CULTURE
ENVIRONMENTALISM
EXPLORATION

Trips/visits in this unit include:

A trip to Southend Beach

QCA Science: 1d - Light and Dark

National Curriculum links: Geo 1, 4, 6, 7, 8, Hist 1, Comp 4, 5, 6

Who Am I?

A unit focussed on Ourselves
Year Two

This unit builds on work done in:

I'm Alive
Our World
Hooray... Let's Go On Holiday

This unit leads towards work we'll do in:

Treasure Island
Buildings
From A to B
Saving the World
Gateways to the World
Chocolate
Island Life
Champions for Change
Earth as an Island
Space Explorers

During this unit, you will be learning about:

Ourselves
Our feelings
Staying safe in the world
Drawing portraits
Healthy Living and Exercise
Different types of food
How our hearts work
Where our ancestors came from
Where we live and different places we have lived

Key Vocabulary:

Body organs
Heart
Feelings/Emotions
Happy
Sad
Excited
Scared
Angry/Grumpy
Shy/Embarrassed
Surprised/Amazed

Themes that are covered in this unit are:

HEALTH AND WELLBEING
PORTRAITURE
MAPS AND MAPPING
SOCIETY
ENVIRONMENTALISM
RESOURCES

Trips/visits in this unit include:

Visit from the Teddy Bear Hospital
Visit from/to a dentist
First Aid Course (in school)

QCA Science: 2a – Health and Growth

National Curriculum links: Geo 1, 7, 10, Art 1, 2, 3, 4, Comp 6, PE 1, 2,

The Magic Toymaker

A unit focussed on History and Technology
Year Two

This unit builds on work done in:

Time Travellers
All Dressed Up

This unit leads towards work we'll do in:

People of the Past
Gateways to the World
Chocolate
AD 900
Switched On
Space Explorers
They See the World Like This
Fairgrounds

During this unit, you will be learning about:

Toys and Games from the past
Museums
Learning about the past in different ways
Sorting Materials
Using Materials for different purposes
Push and pull forces
Board games and puppets
Designing computer games

Key Vocabulary:

Games
Toys
Puppets
Board Games
Moving
Instructions
First/Second
Then/Finally

Themes that are covered in this unit are:

SOURCES
EVIDENCE
CHRONOLOGY
MATERIALS
FORCES
PUPPETRY
COMPUTER PROGRAMMING

Trips/visits in this unit include:

Museum of Childhood (moving toys)
Museum of Childhood (toys of the past)
Visiting artist making a 3-wheeled buggy
Puppetry workshop
Visit to the Soanes Centre (electricity)

QCA Science: 2f – Using Electricity

National Curriculum links: Hist 1, Tech 1, 2, 3, 4, 5, 6, 7, 8, Comp 1, 2, 3, PE 2, 3

Treasure Island

A unit focussed on Geography
Year Two

This unit builds on work done in:

I'm Alive!
Time Travellers
Our World
Hooray... Let's Go on Holiday!
Who Am I?

This unit leads towards work we'll do in:

People of the Past
Buildings
From A to B
Active Planet
Saving the World
Footprints from the Past
Scavengers and Settlers
Gateways to the World
Island Life
Time and Place, Earth and Space
Weather and Climate
Going Global
Earth as an Island

During this unit, you will be learning about:

Islands around the world and the UK
Pirates
The places that pirates went to and how they got there
Pirate maps and buried treasure
Pirate songs and food
Where food comes from
Healthy diets
Staying safe near water
Pirate team games

Key Vocabulary:

Maps
Pirates
Treasure
World
Islands
Land/Continents
Sea/Oceans

Themes that are covered in this unit are:

SETTLEMENT
MAPS AND MAPPING
NAVIGATION
LOCATION
CIVILISATION
HEALTH AND WELLBEING

Trips/visits in this unit include:

National Maritime Museum
Natural History Museum

QCA Science: 2b – Plants and Animals in
the Local Environment

National Curriculum links: Geo 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, Art1, 3, Nutr1, 2, PE1, 2, 3, Mus1, 2

People of the Past

A unit focussed on History

Year Two

This unit builds on work done in:

Time Travellers
All Dressed Up
Our World
The Magic Toymaker
Treasure Island

This unit leads towards work we'll do in:

Paintings, Pictures and Photographs
Scavengers and Settlers
Temples, Tombs and Treasures
They Made a Difference
The Story of English
Going Global
Champions for Change
The Great, The Bold and The Brave
Space Explorers

During this unit, you will be learning about:

Ruling a country
Decision-making
Making changes and Fairness
Famous explorers and their maps
Famous scientists and their achievements
A famous composer and his music
Life in the past
Famous artists and their portraits
Painting a portrait

Key Vocabulary:

World Maps
Composer
Scientist
Explorer
Past
Artist
Portraits

Themes that are covered in this unit are:

LEADERSHIP
DEMOCRACY
EXPLORATION
MAPS AND MAPPING
INVENTION
PORTRAITURE
COMPOSITION

Trips/visits in this unit include:

National Portrait Gallery
Florence Nightingale Museum

QCA Science: 2c - Variation

National Curriculum links: Hist 1, 2, 3, 4, Art 1, 2, 3, 4, Mus 2, 3, 4

Buildings

A unit focussed on Technology
Year Two

This unit builds on work done in:

All Dressed Up
Our World
Who Am I?
Treasure Island

This unit leads towards work we'll do in:

Active Planet
Saving the World
Scavengers and Settlers
Temples, Tombs and Treasures
Fashion
The Story of English
Going Global
Switched On
V for Victory
They See The World Like This
Fairgrounds

During this unit, you will be learning about:

Buildings in the local area
Drawing pictures and decorating them
Making prints
Buildings of the past
Travel in the past
Structure of buildings
Using maps and atlases to find places
Musical structure
Balance and performance
Making picture frames and models
Testing the strength of buildings
Examining materials

Key Vocabulary:

Buildings
Structures/Architecture
Windows
Doors
Pipes
Roof/Tiles
Concrete/Bricks

Themes that are covered in this unit are:

LOCATION
MAPS AND MAPPING
PRINTING
STRUCTURE
MATERIALS
DESIGN

Trips/visits in this unit include:

Geffrye Museum trip (Victorian rooms)
Walk and boat trip looking at buildings
Museum of Docklands – Sailor Town

QCA Science: 2d – Grouping and Changing
Materials

National Curriculum links: Hist 1, Tech 3, 4, 5, 6, 7, 8, Art 1, 2, 3, Mus 2, 3, 4, PE 1

From A to B

A unit focussed on Geography
Year Two

This unit builds on work done in:

I'm Alive
All Dressed Up
Who Am I?
Treasure Island

This unit leads towards work we'll do in:

Saving the World
Paintings, Pictures and Photographs
Gateways to the World
Chocolate
Island Life
Time and Place, Earth and Space
The Story of English
Weather and Climate
Going Global
Earth as an Island
Space Explorers

During this unit, you will be learning about:

Travelling to School and mapping our journey
Travel by train
Holidays in other countries
Transport in the past
Transport in myths and legends
Futuristic painting
Collage
Designing and making vehicles
Road and bicycle safety
Programming algorithms
Staying safe online

Key Vocabulary:

Transport (cars, trains, planes, boats)
Past transport (boats, horses, cart, walk)
Travel
Past/Present
Maps
Collage

Themes that are covered in this unit are:

MAPS AND MAPPING
MYTHS AND LEGENDS
FUTURISM
COLLAGE
DESIGN
HEALTH AND WELLBEING
COMPUTER PROGRAMMING
EXPLORATION

Trips/visits in this unit include:

Visit to the London Transport Museum
Bicycle and Road Safety talk (in school)

QCA Science: 2e – Forces and Movement

National Curriculum links: Geo 9, 10, Hist 1, 2, 4, Art 1, 2, 3, 4, Tech 1, 2, 3, 4, 5, 6, 8, Comp 1, 2, 6, Mus 1, 2, 3, 4

Years One and Two

International

Primary

Curriculum

Coverage

Year B start

Who Am I?

A unit focussed on Ourselves
Year One

This unit is where your journey starts!

This unit leads towards work we'll do in:

Treasure Island
Buildings
From A to B
I'm Alive
Our World
Hooray... Let's Go On Holiday
Chocolate
Island Life
Saving the World
Gateways to the World
Earth as an Island
Space Explorers
Champions for Change

During this unit, you will be learning about:

Ourselves
Our feelings
Staying safe in the world
Drawing portraits
Healthy Living and Exercise
Different types of food
How our hearts work
Where our ancestors came from
Where we live and different places we have lived

Key Vocabulary:

Body organs
Heart
Feelings/Emotions
Happy
Sad
Excited
Scared
Angry/Grumpy
Shy/Embarrassed
Surprised/Amazed

Themes that are covered in this unit are:

HEALTH AND WELLBEING
PORTRAITURE
MAPS AND MAPPING
SOCIETY
ENVIRONMENTALISM
RESOURCES

Trips/visits in this unit include:

Visit from the Teddy Bear Hospital
Visit from/to a dentist
First Aid Course (in school)

QCA Science: 1a - Ourselves

National Curriculum links: Geo 1, 7, 10, Art 1, 2, 3, 4, Comp 6, PE 1, 2,

The Magic Toymaker

A unit focussed on History and Technology
Year One

This unit is your second IPC unit.

This unit leads towards work we'll do in:

People of the Past
Time Travellers
All Dressed Up
Chocolate
Gateways to the World
Space Explorers
They See the World Like This
Fairgrounds AD 900
Switched On

During this unit, you will be learning about:

Toys and Games from the past
Museums
Learning about the past in different ways
Sorting Materials
Using Materials for different purposes
Push and pull forces
Board games and puppets
Designing computer games

Key Vocabulary:

Games
Toys
Puppets
Board Games
Moving
Instructions
First/Second
Then/Finally

Themes that are covered in this unit are:

SOURCES
EVIDENCE
CHRONOLOGY
MATERIALS
FORCES
PUPPETRY
COMPUTER PROGRAMMING

Trips/visits in this unit include:

Museum of Childhood (moving toys)
Museum of Childhood (toys of the past)
Visiting artist making a 3-wheeled buggy
Puppetry workshop
Visit to the Soanes Centre (electricity)

QCA Science: 1e - Pushes and pulls

National Curriculum links: Hist 1, Tech 1, 2, 3, 4, 5, 6, 7, 8, Comp 1, 2, 3, PE 2, 3

Treasure Island

A unit focussed on Geography
Year One

This unit builds on work done in:

Who Am I?

This unit leads towards work we'll do in:

People of the Past

Buildings

From A to B

I'm Alive!

Time Travellers

Our World

Hooray... Let's Go on Holiday!

Island Life

Time and Place, Earth and Space

Active Planet

Saving the World

Footprints from the Past

Scavengers and Settlers

Gateways to the World

Earth as an Island

Weather and Climate

Going Global

During this unit, you will be learning about:

Islands around the world and the UK

Pirates

The places that pirates went to and how they got there

Pirate maps and buried treasure

Pirate songs and food

Where food comes from

Healthy diets

Staying safe near water

Pirate team games

Key Vocabulary:

Maps

Pirates

Treasure

World

Islands

Land/Continents

Sea/Oceans

Themes that are covered in this unit are:

SETTLEMENT

MAPS AND MAPPING

NAVIGATION

LOCATION

CIVILISATION

HEALTH AND WELLBEING

Trips/visits in this unit include:

National Maritime Museum

Natural History Museum

QCA Science: 1b - Growing Plants

National Curriculum links: Geo 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, Art1, 3, Nutr1, 2, PE1, 2, 3, Mus1, 2

People of the Past

A unit focussed on History
Year One

This unit builds on work done in:

The Magic Toymaker
Treasure Island

This unit leads towards work we'll do in:

Time Travellers
All Dressed Up
Our World
Temples, Tombs and Treasures
They Made a Difference
Paintings, Pictures and Photographs
Scavengers and Settlers
The Great, The Bold and The Brave
Space Explorers
The Story of English
Going Global
Champions for Change

During this unit, you will be learning about:

Ruling a country
Decision-making
Making changes and Fairness
Famous explorers and their maps
Famous scientists and their achievements
A famous composer and his music
Life in the past
Famous artists and their portraits
Painting a portrait

Key Vocabulary:

World Maps
Composer
Scientist
Explorer
Past
Artist
Portraits

Themes that are covered in this unit are:

LEADERSHIP
DEMOCRACY
EXPLORATION
MAPS AND MAPPING
INVENTION
PORTRAITURE
COMPOSITION

Trips/visits in this unit include:

National Portrait Gallery
Florence Nightingale Museum

QCA Science: 1f - Sound and Hearing

National Curriculum links: Hist 1, 2, 3, 4, Art 1, 2, 3, 4, Mus 2, 3, 4

Buildings

A unit focussed on Technology
Year One

This unit builds on work done in:

Who Am I?
Treasure Island

This unit leads towards work we'll do in:

All Dressed Up
Our World
Temples, Tombs and Treasures
Fashion
Active Planet
Saving the World
Scavengers and Settlers
V for Victory
They See The World Like This
Fairgrounds
The Story of English
Going Global
Switched On

During this unit, you will be learning about:

Buildings in the local area
Drawing pictures and decorating them
Making prints
Buildings of the past
Travel in the past
Structure of buildings
Using maps and atlases to find places
Musical structure
Balance and performance
Making picture frames and models
Testing the strength of buildings
Examining materials

Key Vocabulary:

Buildings
Structures/Architecture
Windows
Doors
Pipes
Roof/Tiles
Concrete/Bricks

Themes that are covered in this unit are:

LOCATION
MAPS AND MAPPING
PRINTING
STRUCTURE
MATERIALS
DESIGN

QCA Science: 1c - Sorting and using materials

Trips/visits in this unit include:

Geffrye Museum trip (Victorian rooms)
Walk and boat trip looking at buildings
Museum of Docklands – Sailor Town

National Curriculum links: Hist 1, Tech 3, 4, 5, 6, 7, 8, Art 1, 2, 3, Mus 2, 3, 4, PE 1

From A to B

A unit focussed on Geography
Year One

This unit builds on work done in:

Who Am I?
Treasure Island

This unit leads towards work we'll do in:

I'm Alive
All Dressed Up
Chocolate
Island Life
Time and Place, Earth and Space
Saving the World
Paintings, Pictures and Photographs
Gateways to the World
Earth as an Island
Space Explorers
The Story of English
Weather and Climate
Going Global

During this unit, you will be learning about:

Travelling to School and mapping our journey
Travel by train
Holidays in other countries
Transport in the past
Transport in myths and legends
Futuristic painting
Collage
Designing and making vehicles
Road and bicycle safety
Programming algorithms
Staying safe online

Key Vocabulary:

Transport (cars, trains, planes, boats)
Past transport (boats, horses, cart, walk)
Travel
Past/Present
Maps
Collage

Themes that are covered in this unit are:

MAPS AND MAPPING
MYTHS AND LEGENDS
FUTURISM
COLLAGE
DESIGN
HEALTH AND WELLBEING
COMPUTER PROGRAMMING
EXPLORATION

QCA Science: 1d - Light and dark

Trips/visits in this unit include:
Visit to the London Transport Museum
Bicycle and Road Safety talk (in school)

National Curriculum links: Geo 9, 10, Hist 1, 2, 4, Art 1, 2, 3, 4, Tech 1, 2, 3, 4, 5, 6, 8, Comp 1, 2, 6, Mus 1, 2, 3, 4

I'm Alive

A unit focussed on Living Things
Year Two

This unit builds on work done in:

Who Am I?
Treasure Island
From A to B

This unit leads towards work we'll do in:

Time Travellers
Our World
Hooray... Let's Go On Holiday!
Island Life
Saving the World
Earth as an Island
Out of Africa
Weather and Climate

During this unit, you will be learning about:

Living things and where they live
How living things move, grow and change
What living things need to stay alive and healthy
Endangered animals
How to draw animals and people
The different ways we can move
How we can look after the Earth

Key Vocabulary:

Moving
Growing
Breathing
Feeding/Nutrition
Senses
Defecating
Reproduction
Ocean/Sea
Land
Continents
Capital cities
Habitat
Endangered
Extinct

Themes that are covered in this unit are:

LIVING THINGS
HABITATS
GROWTH
DEVELOPMENT
WEATHER AND CLIMATE
ENVIRONMENTALISM
HEALTH AND WELLBEING
EXTINCTION
STILL LIFE

Trips/visits in this unit include:

A visit to the Soanes Centre
A walk to the River Thames
Ranger Stu and his animals

QCA Science: 2a – Health and growth

National Curriculum links: Geo 3, 4, 5, 6, Art 2, 3, 4, Nutr 1, PE 1, 3

Time Travellers

A unit focussed on History
Year Two

This unit builds on work done in:

The Magic Toymaker
Treasure Island
People of the Past
I'm Alive

This unit leads towards work we'll do in:

Temples, Tombs and Treasures
Chocolate
They Made a Difference
The Stories People Tell
Footprints from the Past
Scavengers and Settlers
The Great, The Bold and The Brave
Out of Africa
The Story of English
AD 900

During this unit, you will be learning about:

How to create a timeline
Events from our past
Learning about history from things we can touch
The history of our local area
How to interview someone
The history of food
Healthy eating
Different festivals from around the world

Key Vocabulary:

History
Past
Present
Timeline
Portraits

Themes that are covered in this unit are:

CULTURE
CHRONOLOGY
ARCHAEOLOGY
SOURCES
HEALTH AND WELLBEING
LOCATION
COMMUNITY

Trips/visits in this unit include:

Visiting Actor (The Great Fire of London)
Museum of London – Great Fire of London

QCA Science: 2e – Forces and Movement

National Curriculum links: Hist 1, 2, 3, 4, Nutr 1, 2, PE 3

The Stories People Tell

A unit focussed on History and Geography
Year Two

This unit builds on work done in:

Treasure Island
Time Travellers

This unit leads towards work we'll do in:

All Dressed Up
Temples, Tombs and Treasures
Island Life
Active Planet
Paintings, Pictures and Photographs
The Great, The Bold and the Brave
V for Victory
Out of Africa
The Story of English
AD 900

During this unit, you will be learning about:

Myths and legends from the past
Religion in the past
Stories from different places in the world
Myths and legends in artwork
Fables and stories
Fairytale
Heroes
How music can tell a story

Key Vocabulary:

Stories
Characters
Settings
Myths
Legends
Fables
Fairytale
Traditional stories

Themes that are covered in this unit are:

SOCIETY
CHRONOLOGY
ARCHAEOLOGY
SOURCES
MYTHS AND LEGENDS
MAPS AND MAPPING
NAVIGATION
LOCATION
BELIEF

Trips/vists in this unit include:

Visiting Storyteller
Trip to the Half Moon Theatre
Puppetry workshop

QCA Science: 2c - Variation

National Curriculum links: Geo 5, 9, Hist 4, Art 1, 2, 3, 4, PE 3, Mus 1, 4

All Dressed Up

A unit focussed on Technology
Year Two

This unit builds on work done in:

Who Am I?
The Magic Toymaker
People of the Past
Buildings
From A to B
The Stories People Tell

This unit leads towards work we'll do in:

Our World
Hooray... Let's Go On Holiday!
Fashion
Active Planet
Gateways to the World
Space Explorers
They See The World Like This
Fairgrounds
Weather and Climate
Switched On

During this unit, you will be learning about:

Weather and climate all over the world
What people wear and why
How to sort materials
How to carry out a scientific investigation
How our clothes keep us warm and dry
How our clothes can keep us safe
Wool and weaving
The different ways that we fasten our clothes

Key Vocabulary:

Weather
Climate
Weather Map
Material
Fabric
Weaving

Themes that are covered in this unit are:

WEATHER AND CLIMATE
MATERIALS
INVESTIGATION
WEAVING
DESIGN
SYMMETRY
LOCATION

Trips/visits in this unit include:

The Victoria and Albert Museum

QCA Science: 2d – Grouping and Changing
Materials

National Curriculum links: Geo 4, Hist 1, 3, Art 1, 3, Tech 1, 2, 3, 4, 5, 6

Our World

A unit focussed on Science and Nature
Year Two

This unit builds on work done in:

Who Am I?
Treasure Island
People of the Past
Buildings
I'm Alive
All Dressed Up

This unit leads towards work we'll do in:

Island Life
They Made a Difference
Time and Place, Earth and Space
Active Planet
Saving the World
Footprints from the Past
Earth as an Island
Space Explorers
Out of Africa
Weather and Climate
AD 900
Going Global
Champions for Change

During this unit, you will be learning about:

Animals, plants and birds in our local area
How to grow seeds
Recycling and reusing things
Local habitats and global habitats
Gardens
How to feed wild animals

Key Vocabulary:

Recycling/Reusing
Habitats
Wild animals
Nocturnal/Diurnal
Seed
Roots
Stem
Leaves
Flower/Petal

Themes that are covered in this unit are:

WEATHER AND CLIMATE
SILHOUETTE
COLLAGE
HABITATS
ENVIRONMENTALISM
GROWTH
